BANQUET MENU

Welcome to RiNo Beer Garden, sister restaurant and bar of Historians Ale House. We are a 4,500 square foot Colorado inspired beer garden located on the east end of the River North Art District in Denver, CO. The following sheets contain food and beverage options for banquets. An approximate size is included next to each price. We do this to give you a better idea of exactly how much product you are getting. (Better for planning - we think). A deposit and minimums may be required depending on times and day of the week. If there is something you desire that is not included on our banquet menu, please let us know and we will do our best to accomodate. Reservation space is on a first-come, first-serve basis. Due to our outdoor space being larger than our indoor space we cannot guarantee a reservation to inclement weather. Please fill out the below information entirely. 5% service fee and a 20% gratuity will be added to all banquets.
